Re: NPDES Permit # 101533
File # 41940
Site: Intel – Aloha Campus
County: Washington

Mr. Gawlista:

We have completed our review of your permit application and the comments received regarding the preliminary draft permit which was mailed to you for review on October 18, 2011, and have issued the enclosed National Pollution Discharge Elimination System Permit.

This permit will be considered the final action on permit application number 969868.

If you are dissatisfied with the conditions or limitations of this permit, you have 20 days to request a hearing before the Environmental Quality Commission or its authorized representative. Any such request shall be made in writing to the Director and shall clearly state the grounds for the request.

You are urged to carefully read the permit and take all possible steps to comply with conditions established. Should you have any questions regarding this permit, please contact Mer Wiren at (503) 229-5292.

Sincerely,

Nancy Stellmach, Permit Coordinator
Northwest Region DEQ
